

Keep your hands off of my XM! If the FCC is going to censure Janet Jackson for her Super Bowl stunt then they should not force me to wade through the filth and mire of Tampa Bay commercial radio to hear a sub standard traffic report. What hypocrisy! Tampa Bay is home to both Bubba the Love Sponge and terrible traffic. While the former has been sent packing his spirit lives on local radio. I should not be forced to listen to racy skits and obnoxious commercials to avoid a traffic jam. XM has superior traffic reports when I need them and I am willing to pay for the privilege of hearing them without commercial interruption. At last check this is a free country and the free market is a corner stone of said freedom. Again I say, keep your hands off of my XM!
